

Designer Showcase: 40+ Master Bedrooms for Sweet Dreams

Related To: [Bedrooms](#)

Serene color palettes, perfect combinations of textures and well-placed accessories are just a few of the elements designers use to create a relaxing bedroom design.

Coastal Cottage Bedroom is Light and Airy

A traditional four-poster bed is dressed in clean white bedding with floral-printed green and blue pillows. White beadboard walls and exposed white ceiling beams brings a cottage feel to the space. A cozy armchair is the perfect spot to relax and read a book in this beach getaway.
